

December 1 Monthly Meeting Featuring Sunil Srivastava, MD

A record crowd attended the December 1st POS meeting held at the Allegheny Room of The Rivers to welcome guest faculty Sunil Srivastava, MD, Fellowship Director, Vitreo-Retinal Fellowships, Cleveland Clinic Cole Eye Institute, Cleveland, OH. *Thank you to Jared Knickelbein, MD, PhD for inviting Dr. Srivastava and to the following co-sponsors of the program: BioTissue, DORC, and Genentech.*

Dr. Sunil Srivastava, a uveitis and vitreo-retinal specialist at the Cole Eye Institute at the Cleveland Clinic is the current fellowship director of the vitreo-retinal fellowships. He is both a Senior Achievement Award recipient from the American Academy of Ophthalmology and a Senior Honor Award from American Society of Retinal Specialists.

He presented two interesting lectures **Surgery in the Uveitis - How to maximize outcomes** and **Uveitis Update 2023**, each of which stimulated conversation and questions from the audience.

Matthew Sommers, MD Resident at the University of Pittsburgh Eye Center, presented an interesting case for commentary by Dr. Srivastava.
