On behalf of the Pittsburgh Ophthalmology Society (POS), I would like to invite you to participate in the *58th Annual Meeting* scheduled for March 10, 2023. We look forward to welcoming attendees and exhibitors at this live event, which will be held at the Omni William Penn Hotel, in Pittsburgh, PA. We are committed to providing a safe, productive, and welcoming environment in which to learn and gather and will keep participants updated as the date draws near.

Participation provides you the opportunity to engage with over 100 ophthalmologists from the tri-state region, and over 140 ophthalmic personnel. The Annual meeting is comprised of two concurrent, yet separate, meetings: a day long educational meeting presenting the latest in clinical topics for ophthalmologists, and a separate meeting for ophthalmic personnel.

The ophthalmic personnel meeting includes numerous clinical and managerial break-out sessions, which focus on topics pertinent to those who support the physician in the treatment of ophthalmological care.

Several exhibitor and sponsorship opportunities are available for you to increase your exposure to this specialized audience. ***The "2023 Sponsorship Opportunities" prospectus provides details on all opportunities available, with the Annual Meeting Brochure detailing guest faculty and the program Agenda.***

To confirm your participation please:

- ◆ **Complete and return the *Exhibitor and Sponsorship Agreement* no later than February 1, 2023.** This will ensure acknowledgement of your support in our program materials. You will receive payment notification once the agreement is received. Return the *Exhibitor and Sponsorship Agreement* (by email, fax or mail) to:
