Thorpe Circle Administration

Michael J. Azar, M.D.

Resident Appointment to the Board

Timothy Chen, M.D.

On behalf of the Pittsburgh Ophthalmology Society (POS), I would like to invite you to participate in the *59th Annual Meeting* scheduled for March 8, 2024. We look forward to welcoming attendees and exhibitors to this live event, which will be held at the Omni William Penn Hotel, in Pittsburgh, PA.

The Society appreciates and values support from exhibitors and sponsors and for 2024, have enhanced the exhibit engagement by extending the length of breaks, as well as a modification of the vendor showcase area.

The Annual meeting is comprised of two concurrent, yet separate, meetings: a day long educational meeting presenting the latest in clinical topics for ophthalmologists, and a separate meeting for ophthalmic personnel.

The physician's annual program will feature [distinguished guest faculty](#) presenting named lectures on topics in glaucoma, retina, and pediatric neuro-ophthalmology and pediatric ophthalmology.

The ophthalmic personnel meeting includes numerous clinical and managerial breakout sessions, which focus on topics pertinent to those who support the physician in the treatment of ophthalmological care.

We offer exhibitors exclusive time with healthcare professionals, and exhibit areas are designed to maximize physician-representative interaction. Expected attendance will be approximately 100 physicians from the tri-state region and 140-165 allied health personnel and administrators.

Several [exhibitor and sponsorship opportunities](#) are available for you to increase your exposure to this specialized audience. ***The "2024 Sponsorship Opportunities" prospectus provides details on all opportunities available, with the Annual Meeting Brochure detailing guest faculty and the program Agenda.***

To confirm your participation please:

- ◆ **Complete and return the *Exhibitor and Sponsorship Agreement* no later than February 1, 2024.** This will ensure acknowledgement of your support in our program materials. You will receive payment notification once the agreement is received.
- ◆ Return the *Exhibitor and Sponsorship Agreement* to:
Nadine Popovich, Administrator | Conference Coordinator
Email: npopovich@acms.org Website: www.pghoph.org

Questions may also be directed to Nadine Popovich. We appreciate your support and commitment to the Pittsburgh Ophthalmology Society's educational mission and look forward to your participation at the conference!

With appreciation,

Pamela P. Rath, MD

President
