

## Thomas Gardner, MD, MS – featured Guest Faculty for January

An enthusiastic crowd attended the first meeting of 2024 to welcome Thomas Gardner, MD, MD Professor, Ophthalmology and Visual Sciences | Professor, Internal Medicine, Metabolism, Endocrinology and Diabetes; Professor, Molecular & Integrative Physiology; Senior Scholar, A. Alfred Taubman Medical Research Institute; Kellogg Eye Center, Michigan Medicine, University of Michigan, Ann Arbor, MI. Raven Diacou, MD, Resident at the University of Pittsburgh Eye Center, presented an interesting case for commentary by Dr. Gardner.

*Thank you to Thierry Verstraeten, MD for inviting Dr. Gardner and to Apellis Pharmaceuticals, Genentech, and Zeiss for support of the program.*

I to r: R. Diacou, MD (Resident Presenter), P. Rath, MD, (President, POS); T. Gardner, MD, MS (Guest Speaker); A. Biglan, MD; and J. Alain Sahel, MD
