

PITTSBURGH OPHTHALMOLOGY SOCIETY

## 2020-2021 Meeting Series

### Thursday, DECEMBER 3 VIRTUAL MEETING

John P. Fezza, MD

**Cosmetic Facial Surgeon  
Center for Sight  
Sarasota, FL**

Dr. John P. Fezza specializes in cosmetic facial and laser surgery. He has many years of subspecialty training focusing solely on eyelid, face and neck surgery, which he considers his passion. Dr. Fezza has repeatedly been honored as one of America's "Top Doctors" by the prestigious Top Doctors list published annually by Castle Connolly Medical, Ltd.

Dr. Fezza is focused on helping Center For Sight patients look and feel terrific. His expertise lies in using lasers for skin smoothing and rejuvenation as well as the latest small incision surgical techniques. His goal is to achieve a natural, well-rested appearance. He also specializes in non-surgical injectables, such as Botox® and fillers. Dr. Fezza earned his bachelor's degree from Duke University, and received his medical education at New York Medical College, where he was president of the honors society Alpha Omega Alpha. He completed his internship in general surgery and residency in ophthalmology at Yale University and his two-year fellowship in oculofacial plastic surgery at Vanderbilt University. In addition, he completed a second fellowship in cosmetic surgery sponsored by the American Academy of Cosmetic Surgery. He has many years of subspecialty training focusing solely on eyelid, face and neck surgery, which he considers his passion

Dr. Fezza is a member of the American Academy of Cosmetic Surgery, the American Society of Ophthalmic Plastic and Reconstructive Surgery (ASOPRS) and the American Board of Ophthalmology. A nationally recognized author and lecturer on cosmetic facial and laser surgery, Dr. Fezza is a member of the American Academy of Cosmetic Surgery, the American Society of Ophthalmic Plastic and Reconstructive Surgery (ASOPRS) and the American Board of Ophthalmology. Dr. Fezza is a consultant and lecturer for Allergan (maker of Botox®) and is involved in FDA clinical trials. He is also an ad hoc preceptor for ASOPRS fellows.

*Thank you to David Buerger, MD, FACS for inviting Dr. Fezza.*
