Pamela P. Rath, M.D.

Thorpe Circle Administration

Michael J. Azar, M.D.

As President of the Pittsburgh Ophthalmology Society (POS), I am writing to request support for the upcoming 2019-2020 monthly educational series. Monthly programs provide a unique opportunity for industry representatives to engage with members of the Society in a collegial setting while supporting a quality lecture presented by distinguished guest faculty.

Five monthly meetings are scheduled with all meetings held at the Allegheny County Medical Society, located on the North Side. Attendance is between 50 and 75 physician members. The format for the evening includes lectures, a social hour/visit with exhibitor, and dinner. This year's meetings will be held:

September 5 (Vendor Appreciation)

November 7

January 9, 2020

December 5

February 6, 2020

While we cannot allow sponsors to choose specific speakers, we understand that speakers on specific topics may be of more interest to certain sponsors. Visit www.pghoph.org for a complete list of guest faculty speakers. The list of sponsor benefits can be found on the attached Sponsorship Agreement.

The cost of sponsoring a meeting is \$2,500, or you may choose to participate as a co-sponsor at \$1,500. A limit of two companies are permitted to co-sponsor a program. All requests are granted on a first-come, first-served basis. The format for sponsorship of a monthly meeting meets the requirements for exemption from reporting for the Sunshine Act.

To confirm your sponsorship, please complete and return the Monthly Meeting Sponsor Form. The form must be submitted in order to ensure your participation on the selected program date.

Sponsor information can be downloaded by visiting www.pghoph.org. Do not hesitate to contact Nadine Popovich, administrator, should you have a question (email npopovich@acms.org or phone (412) 321-5030).

Thank you, again, for your support and partnership with the Society. I look forward to welcoming you as a sponsor for an upcoming POS meeting.

Sincerely,

David G. Buerger, MD
