Pittsburgh Ophthalmology Society

41st Annual Meeting for OPHTHALMIC PERSONNEL

This well-respected annual program is designed for Ophthalmic Technicians and Administrative Personnel to provide clinical updates as well as relevant and key technical sessions as it relates to Ophthalmology. Attendees learn "pearls for practice" that can be immediately incorporated into their daily practice.

Formal JCAHPO Application process for continuing education credits is underway.

MARCH 20 2020

Pittsburgh Marriott City Center
112 Washington Pl
Pittsburgh, PA 15219

*Highlights include
sessions on...*

- The Future of Retina
