On behalf of the Pittsburgh Ophthalmology Society, I would like to invite you to participate in the *56th Annual Meeting* scheduled for March 20, 2020 at the Pittsburgh Marriott City Center Hotel, in Pittsburgh, PA.

Participation provides you the opportunity to engage with over 100 ophthalmologists from the tri-state region, and over 170 ophthalmic personnel. The Annual meeting is comprised of two concurrent, yet separate, meetings: a day long educational meeting presenting the latest in clinical topics for ophthalmologists, and a separate meeting for ophthalmic personnel.

The ophthalmic personnel meeting includes numerous clinical and managerial break-out sessions, which focus on topics pertinent to those who support the physician in the treatment of ophthalmological care.

Several exhibitor and sponsorship opportunities are available for you to increase your exposure to this specialized audience. ***The "2020 Sponsorship Opportunities" prospectus provides details on all opportunities available, with the Annual Meeting Brochure detailing guest faculty and the program Agenda.***

To confirm your participation please:

- ◆ **Complete and return the *Exhibitor and Sponsorship Agreement* no later than February 20, 2020.** This will ensure acknowledgement of your support in our program materials. You will receive payment notification once the agreement is received. Return the *Exhibitor and Sponsorship Agreement* (by email, fax or mail) to:
